

The ValueJet 2638W

Smart Printing Equals Value

Textile/Sublimation Printer

Mutoh's ValueJet 2638W – 104" grand format printer has a staggered dual-head design for faster production speeds to create super wide images with unmatched quality. With print speeds of 1,168sf/hr and print widths that are over eight feet wide, the VJ2638W not only saves you time and money but is also capable of producing high quality, super wide images for a number of popular applications like; designs and patterns for trade show graphics, flags, banners, custom clothing, interior design, point of purchase displays and more. And with Mutoh's Smart Printing technology like; Intelligent Interweave (i²) print technique that virtually eliminates banding and ValueJet Status Monitor (VSM) for remote printer monitoring from your smart phone the VJ2638W is the best choice for today's production minded print professional.
